Product Specification Sheet

Targus Ergo D-Pro Desktop Laptop Stand

Part #: AWE05US

Product Description:

The Targus Ergo D-Pro Mobile Notebook Stand is an ergonomic stand for notebooks with a range of adjustable heights and tilt angles. Its heavy duty construction allows for long-term desktop use. The stand offers convenient document holder positioning to improve ergonomic efficiency while keeping you organized and increasing productivity by 17%. With a built-in security slot feature and support for multiple docking solutions via a port rep module (RPM)*, this highly versatile stand will be a welcome addition to your office. Its black and silver design gives it both a classic and high-tech feel.
